# Lap Collection

design studioPANG

Lap is not just a complex and articulated modular sofa created for various environment, but it is a meeting point between formal synthesis, functional search and essential graphic design lines.

A 4 legs metal base supports the sinuous padded volumes, which bring to the products a total comfort plus a marked horizontal and elegant line. The backrest is embraced by a continuous curved plywood frame that surrounds it, giving life to a sophisticated material combination between the upholstered Kvadrat fabric and the essence of the wood.

The Lap collection offers a modular sofa with two angular solution (120° and 90°), an office armchair and tables.
